

Our Breads

Cultures that revolve around family and dining appreciate good bread.

Our bread is hand crafted European style bread. The signature bread of Fornax is the “**boule**”, a deep flavored slow fermented and slightly sour loaf of milled wheat, organic whole wheat and organic whole rye flours. We also offer Italian style white bread, French baguettes, seeded rye, dark pumpernickel with raisins, multi grain with sunflower and sesame seeds, olive bread, fresh rosemary bread, romano cheese bread, garlic and sesame bread.

Fornax also bakes morning and weekend treats such as banana bread, biscotti, cookies, brioche, croissants, scones and pastries. On holidays and for special orders we bake homemade pies and tarts. Fornax gift certificates are also available for purchase.
